Controlling Person(s)

"Controlling Person(s)" means, with respect to an entity that is a legal person, the natural person(s) who exercises control over the entity. "Control" over an entity that is a legal person is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (usually identified on the basis of, but not limited to, ownership of a certain percentage of the entity (e.g., very generally 25% or more, although it can be a lower percentage in some circumstances)). Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the entity will be the natural person(s) who exercises control of the entity through other means. Where no natural person is identified as exercising control of the entity through ownership interests, the Controlling Person(s) is deemed to be the natural person(s) who holds the position of senior managing official.

"Controlling Person(s)" means, with respect to a trust, (i) the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) and/or class(es) of beneficiaries of the trust, regardless of whether any of them exercises control over the trust, and (ii) any other

natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). "Controlling Person(s)" means, with respect to a legal arrangement (i.e., where the relevant entity is not a legal person) that is not a trust, the natural person(s) in equivalent or similar positions as Controlling Person(s) of a trust.

The term "Controlling Person(s)" should generally be interpreted in a manner consistent with relevant Financial Action Task Force Recommendations on the term "beneficial owner". Investors that are Passive NFEs (including Investment Entities located in a CRS Non - Participating Jurisdiction and managed by another Financial Institution) should consult their own advisers regarding any Controlling Person(s) they may have.

Financial Institution

The term "Financial Institution" means an "Investment Entity" (as defined below), a "Custodial Institution", a "Depository Institution", or a "Specified Insurance Company". Please consider Australia's implementations of CRS for additional information that may be relevant to the term "Financial Institution".

- "Custodial Institution" means any entity that holds, as a substantial portion of its business, "Financial Assets" for the account of others. This is where the entity's gross income attributable to the holding of Financial Assets and related financial services equals or exceeds 20% of the entity's gross income during the shorter of: (i) the three-year period that ends on 31 December (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the entity has been in existence.
- "Depository Institution" means any entity that accepts deposits in the ordinary course of a banking or similar business.
- "Specified Insurance Company" means any entity that is an insurance company (or the holding company of an insurance company) that issues, or is obligated to make payments with respect to, a "Cash Value Insurance Contract" or "Annuity Contract".

International Organisation

The term "International Organisation" includes an intergovernmental organisation or supranational organisation (i) which is comprised primarily of governments; (2) which has in effect a headquarters (or substantially similar agreement) with the relevant jurisdiction, and (3) the income of which does not inure to the benefit of private persons. Certain other entities may qualify as "International Organisations", which has a restrictive meaning under CRS that, for the avoidance of doubt, does not refer to an organisation merely located outside of the relevant jurisdiction.

Investment Entity

The term "Investment Entity" means one of two types of entities:

- (a) The first type of "Investment Entity" is an entity that primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:
 - i. Trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;
 - ii. Individual and collective portfolio management; or
 - iii. Otherwise investing, administering, or managing Financial Assets or money on behalf of other persons.
- (b) The second type of "Investment Entity" is any entity the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets where the entity is managed by another entity that is the first type of Investment Entity or by a Custodial Institution, a Depository Institution or a Specified Insurance Company.

Investment Entity located in a CRS Non-Participating Jurisdiction and managed by another Financial Institution

The term "Investment Entity located in a CRS Non-Participating Jurisdiction and managed by another Financial Institution" means an entity that (i) is the second type of "Investment Entity" described in the definition above and (ii) is tax resident in a CRS Non-Participating Jurisdiction.

A "CRS Non-Participating Jurisdiction" means a jurisdiction which generally does not have an agreement in place pursuant to which it will provide to another jurisdiction(s) the information set out in Section I of the Common Reporting Standard within CRS. If an investor has questions about whether it is tax resident in a CRS Non-Participating Jurisdiction, it should consult its own tax adviser.

Jurisdiction of Tax Residence (or a reference to the jurisdiction(s) where an entity is a tax resident) Generally, an entity will be resident for tax purposes in a jurisdiction if, under the laws of that jurisdiction (including an applicable tax convention), it pays or should be paying tax therein by reason of its domicile, residence, place of management or incorporation, or any other criterion of a similar nature, and not only from sources in that jurisdiction. If an entity is a dual resident entity, an entity that does not have a residence for tax purposes or a trust, special rules may apply. An investor that does not know its jurisdiction(s) of residence for tax purposes should consult its own adviser.

NFE

A "NFE" is any entity that is not a Financial Institution

Passive NFE

A "Passive NFE" means: (i) an NFE that is not an Active NFE; or (ii) an Investment Entity located in a CRS Non-Participating Jurisdiction and managed by another Financial Institution.

Taxpayer Identification Number ("TIN")

The term "TIN" or "Taxpayer Identification Number" is a unique combination of letters and/or numbers assigned by a jurisdiction to an entity or an individual and used to identify the entity or individual for the purposes of tax filing or administration of the tax laws of such jurisdiction.

Where certain jurisdictions do not issue TINs, they may utilize some other high integrity number with an equivalent level of identification (a functional equivalent), which should be provided where a TIN is requested on the Tax Certification in Section 8 of this Application Form.

15.3 Terms relating to ownership definitions

Beneficial Ownership:

In this definition:

- "control" includes control as a result of, or by means of, trusts, agreements, arrangements, understandings and practices, whether or not having legal or equitable force and whether or not based on legal or equitable rights, and includes exercising control through the capacity to determine decisions about financial and operating policies; and

Intermediary ownership:

An Intermediary Owner is any entity that owns (directly or indirectly) 10% or more of the shares of the customer at any level of the ownership chain. All Intermediary Owners that meet the 10% or more effective ownership threshold of a customer must be identified and documented.

Additional documents required

Evidence of ownership and structure must, where possible, be obtained from acceptable public sources, e.g. the ASIC website. If this is not possible, evidence of ownership (including Beneficial Owners) can be provided by the customer and attached to the KYC record. This evidence can be:
